FINANCIAL AGREEMENT AND OFFICE POLICIES

In order to keep our fees as low as possible we have implemented the following policies. Please read the following information *carefully* to minimize billing and insurance problems.

Payment: Payment is due in full for each appointment as services are rendered. The payment options are:

- Cash
- Credit Card
- Money Order
- Check - if paying by check, there will be a \$25 returned check fee assessed to your account on all returned checks.

In instances where the service to be provided is above \$250, the patient will be asked to pay a non-refundable deposit of \$100 to secure an appointment slot. If the patient does not cancel the appointment within 36 hours, the patient will lose this deposit.

Dental Insurance: Dental insurance is a contract between you and your insurance company. All charges you incur are your responsibility regardless of your insurance coverage.

There is no direct relationship between our office and your insurance company. Your insurance benefits are determined by the type and design of plan chosen by you and/or your employer and we are not party to this contract. We have no control over the terms of your contract or the determination of your benefits. We will file your primary dental insurance claims as a courtesy to you. We do NOT guarantee payment and are not responsible for providing you with the plan limitations, exclusions and provisions determined by your insurance company. You agree to pay any portion of the charges not covered by your insurance. We will file a pre-determination for recommended treatment when it is requested by you.

Our office does not guarantee that your insurance company will pay for treatment you receive from our practice. We perform routine insurance billing procedures upon verification of coverage. However, if your claim is denied, you will be responsible for paying the full amount at that time.

Our office will not enter into a dispute with your insurance company over any claim, although we will provide necessary documentation your insurance company requests to sort out any confusion or questions that may arise. We will cooperate fully with the regulations and requests of your insurance company. It is ultimately your responsibility to resolve any type of dispute over payments made or not made by your insurance company.

_____ I understand that **if the patient does not have dental insurance**, payment in full is expected on the day of service.

_____ I understand that if the patient does have dental insurance, the responsible party will pay the patient estimated portion and deductible on the day of service: the insurance will be billed as a courtesy; however, I am aware, if the insurance does not pay within 60 days payment in full is expected from the responsible party. I understand it is my responsibility to know and understand my benefits, and the fees quoted in our office are only estimates. I am responsible for anything that my insurance does not cover. I understand that if my insurance company has not paid the balance in full within 60 days, the balance will automatically be transferred to my account and I will be responsible for the balance owed. Our office does not render services on the assumption that your treatment will be paid by your insurance company.

Emergency Appointments: All emergency dental appointments must pay for the exam and x-ray when checking in. Any additional treatment or any dental services performed must be paid for in full at the time of service.

Upon examination, your doctor will prepare a treatment plan. The treatment plan is only an estimate of the dental care required and should not be construed as a statement of actual charges. A plan may need updating after treatment has started as each procedure is unique.

Missed Appointments: A missed appointment is defined as a cancellation, no-show or reschedule of an appointment with less than 24 hours' notice. Our office requires 48 hours notifications if you are unable to keep your scheduled appointment. If less than 48 hours' notice is given, a \$25 fee will be charged to your account. Patients with two missed appointments will be asked to transfer their records to another practice. If any first time appointment is missed, the patient will not be seen by the practice for future appointments.

Late Arrivals: We ask that you arrive 15 minutes prior to your scheduled appointment. If you arrive 15 minutes past your scheduled appointment time, you may be asked to reschedule.

Monthly Statements: If you have a balance on your account, we will send you a monthly statement. It will show the previous balance, any new charges to the accounts, collections charge (if applicable) and any payments or credits applied to your account. Professional fees are the responsibility of the parent and/or guardian authorizing treatment; we cannot send statements to other persons.

Collections Charge: Your account will be transferred to a collections agency once it is 60 days past due.

- The responsible party agrees to pay all attorney fees and court costs associated with collecting payment for services rendered. Collection fees of approximately 50% are added to the account when it is turned over to the agency.
- I grant my permission for you or your assignee to telephone me at home or at my workplace to discuss matters related to this form. I also agree to let this office leave messages concerning appointments and/or results on my answering machine or with a family member.
- I authorize the dentist or his designees to release financially identifiable information and treatment descriptions and information either electronically, by facsimile or paper form to my insurance carrier or any related entities that require such information.

Effective Date: Once you signed this agreement, you agree to all of the terms and conditions contained herein and the agreement will be in full force and effect.

This agreement is to inform you of your financial obligation to our practice. We are committed to providing you with the highest quality dental care using only the best material and technology available. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in maintaining optimum oral health. This financial agreement is intended to facilitate our ability to provide excellent service to you while minimizing our administrative costs.

I have read and understand the above policy and agree to abide by this policy.
